

MCN Free DSL Website

Last Updated Tuesday, 17 January 2006

MCN offers a free 100 megabyte website with 1 gigabyte of transfer each month to all of our DSL customers.

To set up your new website you will need to provide MCN with a username and password. If you do not have a domain name (www.name.com) Your website address will be configured with a subdomain (name.mcn.org). If you are interested in purchasing a domain name, please visit our Domain Name Center for further information.

MCN does not provide website design services. However, we have a list of local consultants who have provided us with contact information. If you are looking for someone to design your website, this may serve as a starting point for you.

To set up your free website, please contact us at 937-1444 or (800)796-3896 or send an e-mail to domain@mcn.org with the username and password you have selected for your website
