

## iPass Roaming Service

Last Updated Friday, 06 June 2008

### MCN iPASS SERVICE:

MCN no longer offers iPass Service.

As of August 1st, 2008 MCN customers will no longer be able to use IPASS service through MCN. We are told that customers can establish their own IPASS account at the IPASS website at <http://www.ipass.com>

If this causes a problem for you please call MCN for alternatives to your internet needs.
