

MCN Co-Location Services

Last Updated Thursday, 19 June 2008

MCN has a limited amount of space for co-location services. Our Co-Location Facility Services include:

- 1 "u" inches of rack space, extra space may be available. Call for details

- 10 hour month on-site access to your machine through August of 2009
- Uninterruptible power supply protection
- Propane generator backup - 4 days before fuel reload
- DS3 in Mendocino Facility through August of 2009

- 10/100BT Ethernet
- Technical On-Site Support available

Costs:

CoLocation Monthly Fee \$200 includes 200 GB of transfer

You must provide your CPU in a pre-configured state. It must have a built-in Ethernet port with a 10/100 BT jack. Servers must be rack mounted 1U boxes. Do not bring keyboards and monitors. We will provide them for you.
