

MCN Web Hosting

Last Updated Thursday, 05 February 2009

MCN is pleased to announce that we are launching our new webhosting platform; MCN websites are all moving to a new, state-of-the-art home. Read all about the migration project: [New Webhosting Platform](#)

MCN has updated our website hosting options, increasing both our transfer and storage quotas tenfold. MCN offers a variety of web hosting packages to suit personal or business needs with prices starting as low as \$5 per month. To view our most recent web hosting prices and policies please click here: [Web Hosting Services](#).

In addition to storing and serving your pages, MCN also offers additional features including PHP, Front Page extensions, and CGI. MySQL databases are also available for a small charge. Please visit our [CGI Matrix](#) for more information about our servers and the features available on them.

Want a calendar on your website? MCN can help you out.

MCN now offers a calendar program you can customize to your preferences. We'll put it on your website and include a user guide as well. Please call MCN to find out the details. 707 937-1444 or 800 796-3896.
