

Welcome to the MCN DSL Information Center

MCN Has Great Pricing on DSL Services

MCN has great introductory business DSL prices starting as low as \$24.99 per month for the first 12 months. We also offer introductory pricing on our static prices. Our residential service is offered at three different levels of service with great introductory pricing starting at just \$24.99 per month.

MCN is now offering DSL service in selected areas of Fort Bragg, Mendocino, and many areas across California. Why not get your order form and contract in now? You can see if you qualify from the MCN home page, or call MCN and our staff can now tell you immediately if you can qualify for DSL service. Call our office at 937-1444 or (800) 796-3896 or send an e-mail to dsl@mcn.org

Here are five great reasons to get MCN DSL service:

- **Bundled Services:** All DSL service includes spam and virus filtering, free 1 gig webspace, e-mail service, great MCN tech support, and 50 hours of analog dial-up.

- **Cost:** With MCN's special introductory prices, you can save on your monthly expenses by eliminating the need for an additional phone line for Internet access.
- **Speed:** DSL speeds start at twenty five times the speed of traditional modems.
- **Convenience:** Switch to DSL without making any changes to your existing phone service as long as you have AT&T local phone service. No need to change your MCN e-mail account.

- **Great MCN Service:** Continue to receive the most reliable friendly support on the coast. All customers will receive a free security brochure.

Here's the latest news on MCN DSL Services:

- **Pricing Update:** MCN has great introductory prices on business class DSL service. All the information is on the links above.
- **Availability:** MCN DSL Service is now ready to order in many Northern California locations including parts of Mendocino. We offer DSL service wherever it is available from Santa Diego to Eureka and across California. This includes parts of Sonoma and Napa counties. We also offer service in Los Angeles, Sacramento, and Stockton. Unfortunately, there are currently no AT&T facilities for DSL service on the South Coast.
- **Pricing:** Competitive prices for both residential and

business customers.

- **To Order DSL Service:** If you are interested in DSL service please visit the [MCN DSL Order Page](#)

for instructions on ordering DSL service. We can prequalify your phone number over the phone or just email your phone number to

dsl@mcn.org

- **DSL Runs On an Existing Phone Line:** DSL can be added to an existing phone line. You can talk on the phone at the same time you are using MCN DSL Service.

note: You MUST have AT&T local service on the phone line where you are requesting DSL service. There will no need to change your local long distance, or long distance services in order to have DSL. However, your local phone service

must

be with AT&T. In fact, if you have an extra phone line just for the Internet, you will no longer need it!

More information will be posted here as it becomes available! Questions? Feel free to write us at dsl@mcn.org or call 937-1444 or (800) 796-3896.
